

The screenshot shows the Acrobat Connect Pro interface with several callouts explaining key features:

- Select Microphone.**
  - 1.Menu Meetings
  - 2.Manage My Settings
  - 3.Audio Setup Wizard
- 1. Start camera and voice.**  
**2. Click the Allow button.** (Points to the 'Allow' button in the Adobe Flash Player Settings dialog box)
- Show your computer screen** (Points to the 'My Computer Screen...' button)
- Upload and show PowerPoint, images, video and more.** (Points to the 'Documents' and 'Whiteboards' dropdown menus)
- Send text messages in the chat** (Points to the chat input field)
- Stop or start your microphone.** (Points to the microphone icon in the bottom toolbar)
- Raise your hand** (Points to the 'Raise Hand' icon in the bottom toolbar)

The interface includes a top menu bar with 'Meeting', 'Present', 'Layouts', 'Pods', and 'Help'. A left sidebar shows 'Camera and Voice' controls, an 'Attendee List (1)' with 'My Status: Active' and 'Dan Lidholm', and a chat window with a message from 'Dan: Of course. We will take a short break in 10 minutes.' The main area displays 'What do you want to share' options. The bottom toolbar contains icons for 'Talk', 'Lobby', and 'Collaboration'.
